Freedom's Frontier National Heritage Area
P.O.Box 526
Lawrence, KS 6604

The City of Lexington, Missouri, and the Lexington Tourism Commission would like to express our support and enthusiasm for the Freedom's Frontier National Heritage Area which includes historic Lexington and Lafayette County, Missouri.

Our city and county's association with the Santa Fe Trail, the Westward Movement, the steamboat era and, of course, the Civil War ties us strongly to Freedom's Frontier and its story and goals.

We look forward to opportunities to partner with Freedom's Frontier in historical preservation and interpretation and in tourism promotion of this fascinating and significant National Heritage Area.

Sincerely,

Dan Cambridge
City of Lexington Tourism Director
